

Get your custom member roster on your schedule and as often as you want

With CommunityCare you can:

Choose relevant roster data

- See a full list of members or just those added in the last 30 days
- Customize the data you export

Get clinical updates

- Find out which members were admitted or discharged from an inpatient facility
- Find out which members visited an emergency room
- View plans of care and health assessments for most Medicaid and Medicare Special Needs Plans (SNPs) members
- Enter plan notes and view notes history for some plans

See HEDIS® performance measures

- Get Healthcare Effectiveness Data and Information Set (HEDIS®) information for your member population
- View quality measures that haven't been addressed or are in progress
- View quality measure lists and descriptions
- View adherent vs. non-adherent measures and target vs. gaps to target
